

COPYRIGHT TRANSFER FORM

The ICTTA'06 Organizing Committee and authors share a common interest in the protection of copyright. In order to do so effectively, the ICTTA'06 Organizing Committee needs a formal written transfer of copyright from the authors for each paper published. This copyright transfer form is intended for original, previously unpublished manuscripts submitted to ICTTA'06 conference publications.

Paper Number: Abstract assigned number : ICTTA902
Paper Title: Fault-Tolerance of Capillary Multi-Path Routing for Real-Time Multimedia Streaming with Forward Error Correction
Author(s): Emin Gabrielyan and Roger D. Hersch

The author(s) warrant(s) that this work is original, and has neither been submitted for publication, nor has been published in any form, elsewhere. The author(s) warrant(s) that the paper contains no libelous or other unlawful statements, and does not infringe on the rights of others. If excerpts from copyrighted works are included, the author(s) has (have) obtained or will obtain written permission from the copyright owners and will credit the sources in the paper. The author(s) or, in the case of a "work made for hire", an authorized representative of the copyright holder(s) hereby transfer(s) copyright of the above work to the ICTTA'06 Organizing Committee, effective upon publication. However, the following rights are reserved:

1. All proprietary rights other than copyright such as patent and trademark rights.
2. The right to use, free of charge, all or part of this paper in future works of their own, such as books and lectures.
3. The right to reproduce the work (prior to publication) for their own purposes provided that the copies are not offered for sale, and are not distributed in a systematic way outside of their employing institution. This transfer includes the right to adapt the paper for use in conjunction with computer systems and programs, including reproduction or publication in machine-readable form and incorporation in retrieval systems. If the paper was prepared jointly with other author(s), the signing author has informed the co-author(s) of the terms of this copyright transfer and is signing on their behalf as their agent and represents that he or she is authorized to do so. Please confirm by marking the appropriate box following the signature line. The signing author shall bear the responsibility for designating the co-author(s) and must inform the ICTTA'06 Organizing Committee of any changes in authorship.

If copyright is held by the employer, the employer or an authorized representative of the employer must sign. If the author signs, it is understood that this is with the authorization of the employer and the employer's acceptance of the terms of the transfer. Please confirm by marking the appropriate box following the signature line.

The transfer of copyright enables the ICTTA'06 Organizing Committee to act effectively against any infringement of international copyright law.
